About 4GLOBAL

4GLOBAL empowers sports, fitness and wellness organisations to make faster, smarter decisions for their customers and investments through data and actionable insights.

It operates the largest sport participation and facility database in the world, with more than 4 billion records.

Sourcing data from health & fitness operators, community programmes and other structured activities while drawing on information from GPS location updates and wearable devices, 4GLOBAL's unique data assets provides a holistic view of physical activity patterns.

4GLOBAL is at the forefront of predictive modelling and advanced analytics, with the insights enabling its customers to drive efficiencies, improve customer relationships and make more informed strategic decisions.

Its customers span both the public and private sectors, including central and local governments, city councils, sports associations, health & fitness operators and sports clubs.

Key markets include North America, the Middle East and Europe. Its headquarters are in London and Istanbul.

4GLOBAL was founded in 2002 and listed on AIM in 2021 under the ticker 4GBL.
